

(updated) Donation for Noto Peninsula Earthquake Relief

We announced the bank account in Finland to receive donations for the Noto Peninsula Earthquake. However, it has been found that under the Finnish legislation, foreign diplomatic missions are not permitted to collect donations, we have decided to stop accepting donations through the Embassy's account.

If you would like to make a donation, please do so to the following accounts opened in Japan. We apologise for the inconvenience.

We are currently in the process of reimbursing donors for donations received by the Embassy. We express our gratitude for the warm support.
